OTTAWA March 27, 1914.

President,

University of Toronto,

Toronto, Ont.

Dear Sir,-

Can you tell me anything about
Mr. H.A. Van Rinsel, confidentially as to whether he would
be a man who could fill the bill described in
the accompanying letter of even date.

Yours very truly,

Harlan I. Smith

Harlan I. Smith, Esq.,

Department of Mines,

Geological Survey, Ottawa.

Dear Sir:

I have made inquiries and am unable to secure for you any information about A. J. Van Winckle. Can you tell me anything more about him, so that I may be able if possible to discover something that may be of service to you.

I am sending your letter to the Director of our Archaeological Museum, so that he may keep his eye on any man that would be suitable for you.

Yours sincerely,

President.
